RE: Frontier Communications of America Inc. request for an Interconnection Agreement with Horry Telephone Cooperative, Inc.

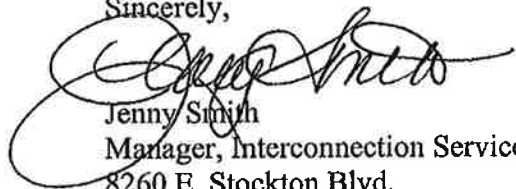

Dear: Mr. Raybon,

This letter hereby notifies Horry Telephone Cooperative, Inc. that Frontier Communications of America, Inc. ("FCA") seeks to adopt the interconnection agreement, between Horry Telephone Cooperative, Inc. ("HTC") and Time Warner Cable Information Services (South Carolina), LLC which was approved on March 2, 2011 in Docket 2006-197-C pursuant to Section 252(i) of the Federal Communications Act of 1996. The Time Warner Cable Agreement is still active and does not roll into an evergreen state until March of 2013.

FCA would like to offer an adoption document that can be used for filing with the South Carolina Public Service Commission if HTC does not have such a draft document available. FCA's proposed draft has been filed and approved by the Commission previously under our ILEC entity, Frontier Communications of the Carolina Inc.

I look forward to hearing from you regarding our latest request.

Sincerely,

Jenny Smith

RE: Section 252(i) Interconnection Agreement Adoption Notice and Request

Dear Mr. Raybon:

Our client, Frontier Communications of America (CLEC), has been engaged on negotiations with Telephone Cooperative (ILEC) to enter into an Interconnection Agreement since March 2, 2012. When these negotiations failed to progress to an agreement, Frontier advised by letter dated May 1, 2012 of its election to adopt the Interconnection agreement between Horry Telephone Cooperative, Inc. and Time Warner Cable Services (South Carolina) that was approved on March 2, 2011 in Docket No. 2006-197-C. Frontier and HTC have continued to discuss the provisions of an ICA specific to them; however, the most recent proposals are not acceptable. Frontier stands by its decision to adopt via Section 252(i) the ICA approved on March 2, 2011 in Docket No. 2006-197-C between Horry Telephone Cooperative, Inc. and Time Warner Cable Services (South Carolina). To that end, we contacted your legal counsel and asked for HTC to enter into an Adoption Agreement under Section 252(i) of the 1996 Federal Communications Act which was declined. Therefore, to avoid any confusion, this letter is notice and advisement on behalf of Frontier Communications of America, Inc. requests and is making a Section 253(i) adoption of the Interconnection Agreement approved on March 2, 2011 in Docket No. 2006-197-C between Horry Telephone Cooperative, Inc. and Time Warner Cable Services (South Carolina). A copy of the Section 252(i) letter and adoption filing made today with the Public Service Commission is attached.

With kind regards,

C. Jo Anne Wessinger Hill
